

Due to the event” The 44th National Conference for Creating a Rich Ocean ~Umashikuni Conference~”

The Information for Drone Flight Prohibition

Due to the event “The 44th National Conference for Creating a Rich Ocean ~Umashikuni Conference~” will be held on the 9th of November, 2025, about the sky above Shima city Ago arena where the conference will be held and Shukutaso harbor where the welcome ceremony at sea and release fish event will be held, they will be the event venue subject to aviation law article 132-86 section2 No.4.

Therefore if you were to fly a drone without flight permit or approval, you would be subject to punishment.

In purpose for ensuring safety and smooth operation of the conference, we would like you not to fly drones around those areas.
